THE VOLSUNG

Julie,
Well the school year is finally over for us. You are a sweet boy. Just stay that way. Wish you all the luck in the world and also in the years to come. Good luck in everything you do.
Hope to see you around.

Dear Shirl —

It's really been
hard to believe
months. I can't tell you
how much. But I guess it's
for the best because we would
be able to see each other during the
summer anyway. You're going into
the service and really a
hitchin guy and I hope you
think of me always and remember me. We've
had our fights when we went to get married but now that
wouldn't be normal if we didn't. But it did. I wish that it
is over I'm not sorry are you? I'm glad it's over, but in a
while ended so soon, but it did. This year has
one by fast and what ever you do and wherever you go
What ever you make in the world! I hope you
are happy and are happy with. Stay
you'll get what you

I wish you all the
find someone as sweet
as sweet as you are and
want in life.

Love ya Jane

P.S. Have a blast this summer
and look me up.

FOREWORD

Sagas, as early as the tenth century, were the stories and histories of Scandinavian kings and heroes. The context of these prose epics was historical, mythical or romantic, and was recited orally, being preserved only the memories of the people.

The world was creating and learning when the sagas were written. Looking back at the newness and knowledge of a rugged land coming upon our own country in its beginnings, we have sought to tell our saga . . . the story of our school year 1963-64 . . . using the comparison of our once-struggling new country and its heroes gaining knowledge with that of ourselves, the students of Downey Senior High School.

As we look back, through the pages of our book, we shall have captured the memories of our successes, our happinesses, and our achievements, as well as our disappointments. And so, as our theme, we present to you . . .

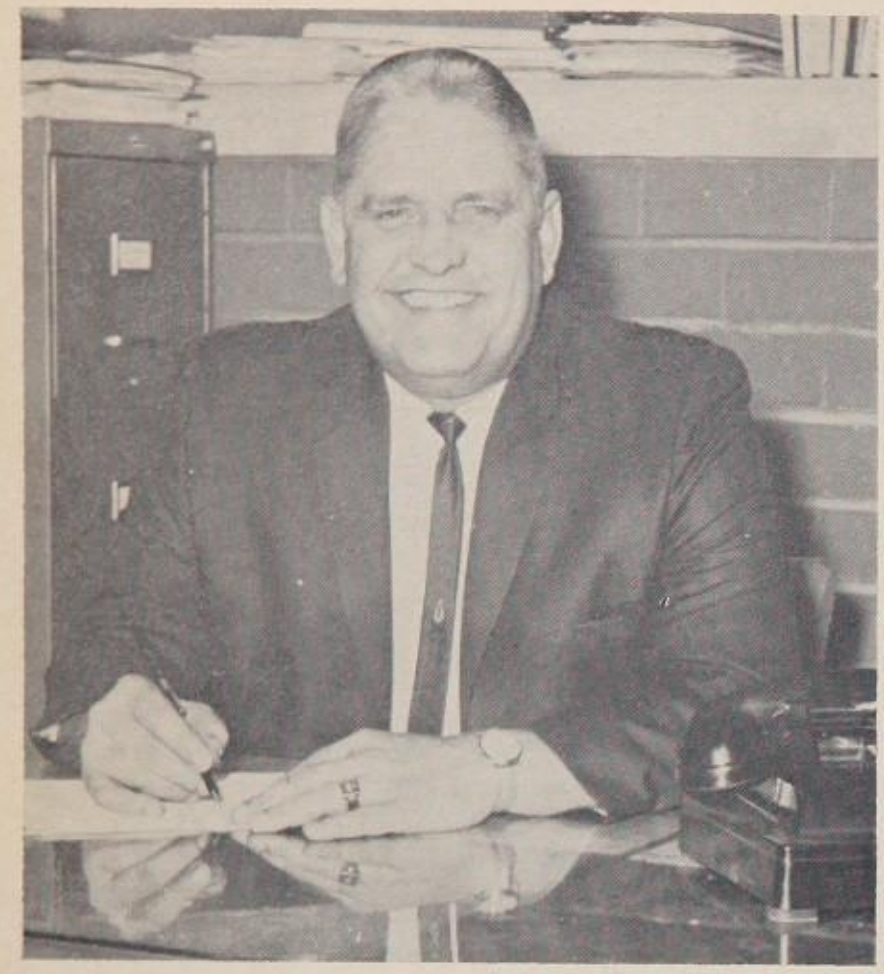
THE CREATIVE READER

Administrators of our saga



PRINCIPAL JOHN WARREN

As this school year draws to a close, it brings to mind the many outstanding accomplishments of the Downey Senior High School students and faculty. The success of our endeavors has been the result of the combined efforts of the Board of Trustees, the District Administration, the student body, staff, and parents.

This school year is reflected by a continuous series of impressions in the classroom and laboratory, on the athletic field and the campus, and in extra-curricular activities. Some experiences will be permanent and enduring, others may be only a thrill of the moment and soon forgotten. The 1964 Volsung, by means of print and photograph, has captured and retained for us valuable impressions of our friends, teachers, and classmates, and provides a quick glimpse of our good times, hardships, and successes.

The impressions imprinted in our thoughts will remain with us forever. This 1964 Volsung will become a most cherished possession down through the years, not because of its intrinsic or monetary value, but because of the treasury of memories contained within its cover.

John M. Warren
Principal

A school is an institution of learning which requires capable leaders to mold the minds of the students over whom they have supervision. This is a job requiring a tremendous amount of responsibility.

The leader of our school works under the title of principal. He is Mr. John M. Warren, whose chief responsibilities lie with the supervision and development of the curriculum and the instructional materials of our school. Mr. Warren works indirectly with the students in that he heads the counseling program, watches and plans the school-level public relations, and the choice of the teachers with whom we come in contact each day.

BOARD OF EDUCATION

SEATED: Lloyd L. Stromberg, vice president; Harold T. Tredway, president; Robert H. Walton, clerk.

STANDING: Bruce Moore, superintendent; Robert L. Ryan, Merritt M. Yancey, Mrs. Rosella Raszkowski, Joseph A. Davis.

ASST. PRINCIPAL STAN ROSS

This school year saw a change in the titles of some administrative positions: the dean of girls was changed to vice principal, the vice principal became assistant principal, and the activities director was changed to adviser of student affairs.

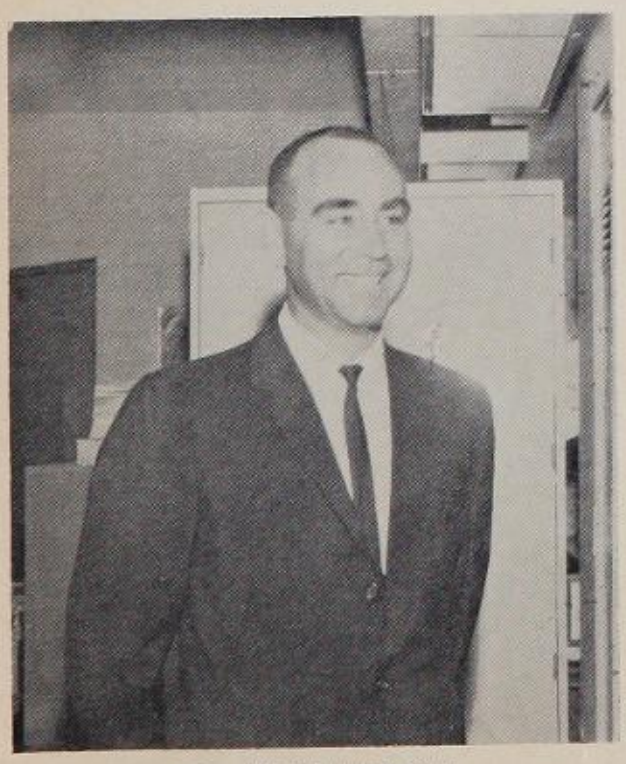
The assistant principal, Mr. Stan Ross, works closely with Principal Warren. His duties include the supervision of student control and all disciplinary actions.

Mr. Ross handles the activity supervision, athletic programming, the school's plant and the work orders. He supervises the duty assignments of teachers.

MISS HELEN HALL
Vice Principal

The person to whom the girls of Downey High owe thanks is Miss Helen Hall, who holds the position of vice principal. Miss Hall works directly with the Girls' League, and in the organization of the clerical and student help in the offices.

She has faithfully served the girls of Downey in dealing with their personal and behavior problems. She also works with the supervision of class activities.

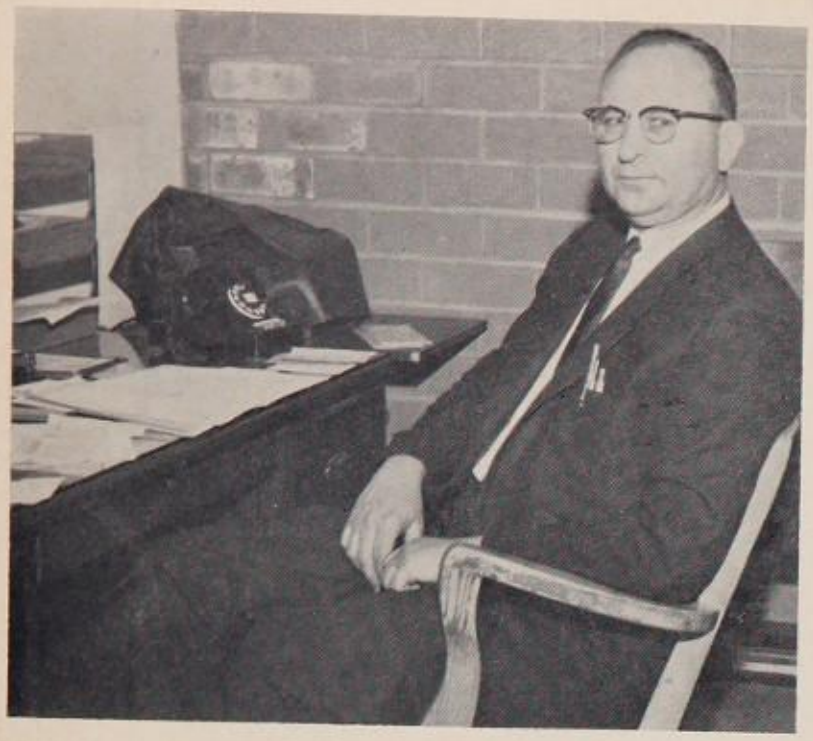


MR. ARDEN HIRSCHI
Adviser, Student Affairs

Social activities and other extra-curricular affairs are a large part of the life of a school. Mr. Arden Hirschi, after years in the physical education department, became the adviser of student affairs this year.

In this capacity he is responsible for much of the student activity program, including student government, and also the on-campus clubs and their advisers. He is responsible for the school calendar and the daily bulletins. One of his big projects this year was the sale of mixed nuts to raise funds to buy new uniforms for the Viking Band.

They deal with students' special needs



MR. CLARENCE BACHA
Attendance Supervisor

A very busy part of Downey High is the attendance office, headed by Mr. Clarence Bacha. He is the supervisor of child welfare and attendance, which includes the control of tardiness and irregular attendance situations.

Mr. Bacha's office issues work permits, and checks them at regular intervals. He writes the reports for the juvenile index, and works on the personal case studies of individual students.

The responsibilities of the attendance office are great, as the receipt of state funds on the basis of average daily attendance depends on the work of his office.

Aiding Mr. Bacha in these duties are two regular clerical staff members, Mrs. Mary E. Allard and Mrs. Eleanor Weatherford, in addition to student helpers.

MRS. WEATHERFORD MRS. ALLARD

CLERICAL STAFF

Mrs. Grace Lane, student funds bookkeeper; Mrs. Jean Whittaker, counselors' clerk; Mrs. Ruth Ayers, records clerk; and Mrs. Mildred Wylie, secretary to Principal Warren.

Healthy students are a necessity for the happy spirit which is so essential for good school spirit. Mrs. Cletice Brown, known to every student as "Nursie," supervises the health program at Downey High. Her duties include such things as the re-entry of students after illness, the verification of gym excuses, and treating the bumps, bruises, cuts and blisters that beset the students.

As an economy measure, the district this year assigned Nurse Brown part time to Downey Elementary School, across Brookshire; but she managed to take care of the headaches, backaches, toothaches and acheaches. A busy life is led by "Nursie."

and offer counsel and advice

The guidance office at Downey High is headed by Mr. Al Hemkin. Each student who enters the school is assigned to a counselor, according to the initial of his surname; therefore, each counselor has students from all three grade levels.

The people who counsel each student throughout his three years at Downey are Mr. Arthur Maurer, Mr. Ed Bragg, Mr Fred Hershner, and Mrs. Margaret West.

Each of these counselors helps to assist hundreds of students each day in personal as well as scholastic problems. They assist the student in planning his future, they provide information on college requirements and advantages, and aid in getting scholarships.

MISS DORIS KIM

A storehouse of the wonderful world of books is our library at Downey High. Every day before school, at lunch, and after school, as well as during the school day, the library fills with industrious students who take advantage of its materials.

Library hours are from 7:15 a.m. to 3.45 p.m. One of the many tasks facing Miss Doris Kim, our librarian, is to maintain a quiet, study-inspiring place for concentration. Teachers, especially teachers of English, bring their entire classes to the library, but must arrange to schedule the time according the the facilities of the library.

The library is a service unit of the school, and its purpose is to assist both teachers and students to do their best work.

Aiding Miss Kim in handling the stream of students, checking out books and seeing to it that they are returned, is Mrs. Nona Spiecker, library clerk.

Mrs. Spiecker checks out books to students.

CAFETERIA STAFF

SEATED: Lucille Irvin, Joan Jochim, Helen Cook, Lillian Hess, Ann Fallon, Norma Morgan.
STANDING: Mary Searing, Wilma Cramer, Dorothy Klewenhagen, Marie Merz, Mildred Sommell, Tyne Honkanen, Assunta Elliano, Alberta Maxwell (manager).

CUSTODIANS

BOTTOM ROW: Lester Williams, John Roberts (head), Don Marson.
TOP ROW: Earl Viles, John Bertholomey, William Purviance, Fred Erikson.

Undertaking the enormous task of filling the empty stomachs of the student body during snack time and lunch hours is the cafeteria staff, headed by Mrs. Alberta Maxwell. These efficient ladies work all morning to prepare hot lunches to provide the nourishment for the energy-consuming bodies.

In addition to the regular meals of the school day, the staff is called upon to handle refreshments for many of the school functions, such as Girls' League breakfasts and teas, club banquets and dinners.

Another important group of people at Downey High are the custodians. Another victim of necessary economies, the staff was reduced considerably this year, so that all classrooms were not given complete care as in previous years, but this group did valiant work in repairing the ravages to the appearance of the campus, caused by careless students.

This group performs an especially vital function when there are dances, plays, and programs of any kind.

The business department at Downey High is a great step in introducing students to the wide world of business. The department has eight teachers who conduct classes in typing, use of business machines, business law, bookkeeping, shorthand, secretarial practice, clerical practice, economics and business English.

Each day approximately 45 per cent of the student body attends a class in the business department. Typing is open to all students in the beginning sections; complete fundamentals of Gregg shorthand and transcription are taught to develop skill for business use; secretarial practice correlates the general office skills; bookkeeping objectives are to equip the student with a working knowledge of the basic principles of accounting that will be useful in later life; business machines include calculators, adding machines, liquid and ink duplicators, and many others; business law helps to develop an awareness of legal points which affect people in their business relations; and business English stresses the fundamentals of grammar, punctuation, and spelling, as well as the forms of business letters and reports.

Downey Senior High has one of the finest programs of driver education in the state. It consists of one semester of study including traffic laws, causes of accidents, care and use of automobile, first aid, and actual behind the wheel training.

It is a required course, usually in the sophomore year. Officers of the city's traffic division often visit to give practical advice on how to avoid tickets for violation of traffic laws.

In seeking to accomplish one of the aims of the district's philosophy of education, to give each student a more complete mastery of communication, oral and written, English is required for every semester of his time at Downey High.

English X is chiefly grammar, spelling, and the mechanics of expression, with an introduction to Shakespeare and other literature; English XI is principally American literature; and English XII is principally world literature.

Electives, not permitted to be substituted for the required courses, include speech, drama, and journalism. Drama students stage two principal productions, the fall play and the spring play, as well as a night of one-act plays and a night of dramatic readings. Journalism classes produce the school newspaper and this yearbook.

Another type of art, most essential to the development of the student to prepare him for life as an adult, is that of the practical: homemaking and industrial arts.

Girls in the homemaking department learn to plan family budgets, to prepare nutritious and appetizing meals, to make clothing, and to prepare for the woman's role as wife and mother.

Home economists from well-known firms are guest lecturers, ministers give counsel on maintaining a happy home life.

Boys get practical training in wood shop, metal shop, electronics, mechanical drawing and drafting. They learn how to work safely, how to care for tools so that they will last for a long time, and how to make many things for themselves.

All of these courses are elective for students in all three grades.

Downey High offers students a chance to learn any one of four foreign languages, including Latin, which may be dead as a conversational communication, but is very much alive in all of the other languages studied, including English.

Because of California's large Spanish-speaking population, that language draws the most students, requiring four teachers to handle them.

French and German are fairly recent additions to the curriculum, but have proved very popular.

All of the language classes have clubs which plan and produce many projects which aid in the study of the language and the peoples of the countries which speak it.

They combined to have a Christmas party in December; the Spanish Club staged a "Taco Fiesta" (a scene from which is shown here); the German Club had a festival with German food, and the Latin students staged their annual Roman Banquet.

Education trains the body as well as the mind

Activity, attitude, achievement and attendance are the four principal considerations in determining a student's grade in physical education, which is required by the State of California for the gaining of a high school diploma.

Boys' gym classes cover football, basketball, softball ,speedball, volleyball and swimming. Classes rotate at regular intervals.

For the girls, classes stress physical fitness, muscular and mental coordination and good sportsmanship. Special activities include drill teams, team sports, and an important auxiliary activity, the Girls' Athletic Association.

Science courses at Downey High include life science, required usually in the sophomore year except for those students electing to take biology in the eleventh grade; biology, a laboratory course in life science, open to juniors and seniors who have not had life science (and for college prep students who are required to have a lab science course); chemistry, for which a previous course in algebra is recommended; physics, for seniors; and physiology, for juniors and seniors, with biology as a prerequisite.

Also included in the science curriculum are courses in physical science survey and pre-flight aeronautics. The latter is a survey course covering the theory of flight, civil air regulations, meteorology and navigation. A Link trainer is available to each student.

In this day of space travel and scientific achievement, mathematics is more and more important. Downey High offers courses in algebra, plane geometry, advanced math, practical math, and senior math. Advanced math is a seminar type course for students who are above average in scientific ability and interests.

Social studies include specific required subjects and opportunities for supplementary study. Various aspects of society, from history and government to psychology are included in the curriculum.

Social studies are required for all six semesters at Downey High. Sophomores are required to take a course in world geography for one semester, with the other half of the year given to driver education.

Juniors are required to take U.S. History, which has as its objective the providing of the student with a basic understanding of heritage of American ideals of democratic government.

Seniors are required to take a course in government, to get a knowledge of the working of national, state and local administrations. Another course deals with the study of Communism, beginning with Karl Marx, and tracing its development in the Soviet Union, and the threat it presents to American democracy.

World history is included in the curriculum, and deals with the development of mankind from the earliest known prehistoric man, through the middle ages, the Renaissance and the Reformation to the present day and its problems.

Students may take as an elective the study of California history, which includes the earliest Indian cultures, the Spanish discovery and explorations, the succeeding Mexican and American control. Present political structure and economic growth are included.

College preparatory students may take a survey course in philosophy and psychology. The aim of these studies is to present the findings of psychology as they clarify and explain human behavior from infancy to maturity.

THOM SCHWEDHELM

Thom Schwedhelm came from Winnenden, Germany, last August to experience life in the United States, and make several hundred American friends.

He lived with the W. A. Carr family while attending Downey High. He has participated in Student Council (second semester), is a member of American Field Service Club, an honorary member of Sword & Shield, boys' honor service club, while learning the customs of the typical Downey student.

Thom will be returning to Germany, leaving us with warm memories of his own personal "Saga of '64."

The saga of friendship

It is rather a strange feeling than pleasure to leave your old and well-known way of life, and begin to live under new circumstances in another country.

But now my year here in Downey is almost over, I can look back to a very pleasant time that I spent in Downey.

As a member of Downey High's student body, I participated in many activities and won many friends. Very soon I realized thaat there is no difference at all between me and you. When I participated in Student Council during the second semester I had a chance to see how well everything is planned before it goes then, smoothly running, into action.

I know how hard many of you worked to make this experience possible for me, and then helped with much friendliness and understanding to make this year as wonderful as it was.

Because of this I would like to thank all of you students, as well as teachers and administrators.

Last, but certainly not least, I want to thank American Field Service Club for everything you have done. I am sure I will keep Downey High its students, clubs and teachers, in good memory, even if memory is only a poor substitute for something one lost, and I wish all of you much success in the future.

Yours,

Thom

MARILYN JOHNS

Marilyn Johns left her Downey home on June 29, 1963, to live with the Jose Ribeiro family in Belo Horizonte, Brazil. There she had an opportunity to gain a better understanding of the customs and language of that country. Her foster parents in Brazil had seven children. One of her "brothers," who was 20 years old, and a "sister," 17, spoke some English, which helped communication.

Of all her Brazilian experiences, Marilyn remembers particularly her visit to the new capital, Brasilia. She spoke to a Brazilian Lions Club, and presented them with a U. S. Flag, receiving in turn a Brazilian flag to bring back with her to Downey.

She returned to Downey on Sept. 7 to begin her senior year at DSHS.

Marilyn left International Airport for Miami Beach on June 29, 1963; then flew on to Brazil, where she lived for three months

Marilyn and Thom both had an opportunity to learn the customs and language of a strange country through the American Field Service

The story of outstanding achievement

These two pages of the Saga of '64 have been reserved to give recognition to those seniors who have received outstanding honors, or have achieved particular distinction in specific areas of their endeavors.

The acknowledgment of the work and effort put forth by these students has been a great part of Downey High School this year.

One difficulty in giving such recognition in these pages is deciding where to draw the line in making the choices. There are many other seniors who have achieved outstanding success, who have been a distinct credit to their school, and who deserve a great deal of praise.

Another difficulty is that some who are accorded distinction for specific achievement are not given that recognition until too late in the school year to be included in this section.

These, some of the leaders of our senior class, should be commended on their accomplishments, which have become a part of our Saga of 1963-64.

BRUCE TENEN

The "Spirit of Vic and Vickie Viking" was first inaugurated in 1963 by the Volsung staff. This honor is awarded to a senior boy and a senior girl who best exemplify true Viking Spirit through their activities both in school and throughout the community with special emphasis on service.

This year's "Spirit of Vic Viking" was awarded to Bruce Tenen. Bruce, as Key Club president, vice president, and division deputy lieutenant governor, spent many hours serving his school and community. As AFS President, he coordinated DSHS's AFS Club raising money for the Downey foreign exchange student program. Keeping in his interest of foreign customs, Bruce also served as French Council president in his junior year.

Bruce showed his leadership and speaking ability again as he acted as MC at Kiwanis luncheons, Inquisitor at a Rotary luncheon, and participated in the Junior Statesmen Club debates of 1963.

He also rendered service to the community as he collected money for such worthy causes as cures for cerebral palsy, cancer, and TB.

Bruce practiced good Viking sportsmanship, as he lettered in Varsity, Bee, and Cee basketball and umpired for DJAA games in our community.

Maintaining an A-minus average over his three-year high school career, he qualified as life member of the California Scholarship Federation. He served this organization as vice president and junior representative.

Bruce was judged on service, activities, leadership, scholarship, and athletic ability by a faculty committee which was headed by Mr. Warne Bolander.

Judged in much the same manner as the boy counterpart, the "Spirit of Vickie Viking" was selected by a faculty committee led by Miss Helen Hall.

The recipient of the honor this year is Sandy Glauser. Sandy, the blonde-haired, brown-eyed varsity song queen of Downey High, has been more than busy leading her class as senior class vice-president and sophomore girls' representative.

She could be seen selling candy, making posters, and working on a multitude of other committees, serving her school during the last three years. She has collected for the Cancer Society, volunteered work for Mental Health, and participated with the Char-Amies Y-club throughout the community.

Sandy has also helped keep the students informed, serving as feature editor of the Norseman this year, and helping to create the 1963 Volsung.

Interested in Spanish, Sandy has received a language award in this area, served as president and historian of Spanish Council, and played a large part in the smooth-running of the Spanish Fiesta, acting as its general chairman. Still working to preserve fond memories, she also served as historian for both AFS and Les Torcheres. She was often seen backstage at our play presentations doing everything from makeup to selling refreshments for Cardinal Masque. Sandy has also been active in Vikettes (her junior year), Thespians, Quill & Scroll, Future Teachers, and Normaneers.

Though obviously very active, Sandy still kept up her studies to maintain an A-minus average, qualifying as a life member of the California Scholarship Federation.

It is through young people such as Sandy and Bruce, that the Viking spirit of service and honor can be spread throughout the school and community.

Valedictory

The long awaited day is here,
Bringing the end of another year.

We leave the "hallowed halls of learning";
To the world we will be turning.

Each meets this day with special emotion;
Joy, sorrow, indifference, and devotion.

But no matter which may be your way,
We all share a common bond this day.

It is the time of our graduation;
The end of our high school education.

We seniors of the saga sixty-four
Will walk this campus as seniors, no more.

STANDING: Sharon Marshman, junior girls' representative; Judy Carr, Girls' State representative; Adrienne Kilpatrick, sunshine chairman; Pat Armstrong, historian; Marlene Eich, historian; Sandra Evanson, historian; Chris Kirklen, soph representative. Absent: Jorlaine Hubbard, Campus Pal chairman

Outgoing president, Cheri Meyers pins orchid on incoming president, Marilyn Johns

Planning activities of interest to girls is the purpose of Girls' League. Although every girl in DSHS is automatically a member, the actual work is performed by the members of the cabinet, composed of girls elected by vote of the feminine part of the student body.

As is the usual custom, the League sponsored a Campus Pal program, with all girls new to the school being assigned a secret "pal" to make them feel welcome. Although the League sponsors such events as Luggage Day, Girl-of-the-Month elections, and guest nights for each class, the big event of the year is the Girls' League dance, traditionally called the "Sadie."

Any girl who wishes to take an active part in these activities has an equal opportunity by signing up to work on any or all of them, thereby also qualifying for points needed to become a member of the girls' honor service clubs, Les Torcheres and Normaneers.

The purpose of Les Torcheres is to serve the school, and to provide for its members an opportunity for leadership. The club caters to the girls who are interested in becoming active members of both school and community.

Les Torcheres had many activities during the 1963-64 school year. As is their usual custom, they ushered and served at school functions; with Sword & Shield they co-sponsored the Sweethearts Ball; they presented a fashion show in connection with the installation of second semester Girls' League officers; they helped in the library; they celebrated 30 years of service with an annual reunion on April 21.

Les Torcheres is also a club with scholastic interests, and raised money to give a scholarship; they raised $100 for AFS.

Motto of the club is: "The highest and best be my goal."

Trophy polishing is an annual Normaneer project

Normaneers are a club which renders many services to the school. Among them are polishing of trophies, ushering at school functions, selling pompoms at football games, selling roses for the Rose Float Association to raise money for the Rose Float, cleaning campus, selling advertisements in the Norseman, and taking a survey of last year's seniors to find out what they are doing now.

They established a Marcia Esping Memorial Scholarship, to be given to a senior member who exemplifies spirit of service, in honor of Marcia Esping, DSHS graduate of '61, and the president of the Normaneers when she attended Downey. She died in an automobile accident in November of 1963.

Organized first in 1953, Sword & Shield is intended to be an honor service club for boys. Its name was adopted to symbolize the Viking strength and action.

Besides co-sponsoring with Les Torcheres the Sweethearts Ball, Sword & Shield staged the annual beard growing contest (a scene from the judging is shown at the left).

Membership in the club is limited to 30. It starts with ten seniors each year, and adds five juniors each semester.

Hardwork, a nose for news, creativity

Each Friday after fifth period the students at Downey High suddenly disappear behind the pages of the school newspaper, the Norseman.

Here they are involved in all the weekly news of the school, reports of actions of the Student Council, achievements of students, new regulations, announcements of opportunities, sports, and many more interests.

It is a task indeed to gather news from the sources which are not always easy to reach, and to have everything ready by deadline on Wednesday each week; but thanks to the efficient Norseman staff, Downey High students can read the latest at Downey in a neat, orderly and interesting newspaper each week.

Chroniclers of a Saga

On these two pages are the people who gathered the data, recorded the story, and arranged the pictures of this Saga of 1963-64.

Titles were few, and the jobs were many. Everyone did whatever was necessary to get the job done. Andi Bullen was the head chronicler, bearing the title of editor-in-chief. Her chief assistant was Jo Warren, who also planned the sports section. Duncan Williams wrote most of the sports, Ted Kierscey is responsible for the art work you see in these pages. Tom Walker was the one who supervised the selling of the advertising and other money-raising jobs. Bonnie Ferber, Connie Krugh, Donna Stovall, Laura Moder, Lyla Williamson Dan McIntyre and Sharon Wyson completed the staff.

We hope you like the result.

California Scholarship Federation is a club for those who achieve ten points during a semester on a scale which gives three points for an A, one for a B. One point may be earned in service to a teacher. No D's or F's are permitted.

The club sponsored such projects as the Book Fair, collection of books to be sent to Kasungu, Africa, aiding the National Broadcasting Company in coverage of the June elections, and honoring the "Scholars of the Quarter" as told below.

Purpose of the club is to promote interest in academic achievement.

SCHOLARS OF THE QUARTER

One of the projects sponsored by CSF was the selection of "Scholars of the Quarter." One boy and one girl of each grade level were chosen as the top scholars of each quarter, and presented with a book of his or her choice.

Shown here are those winning that honor:

BOTTOM ROW: Sandy Whiat, Lyn Cardall, Paul Simpson, Kathleen Janus, John Hanson

CSF LIFE MEMBERS

Life membership in CSF, carrying with it the title "Sealbearer," is won by achieving membership for four semesters, one of which must be in the senior year.

Those listed here had won this honor by the end of the first semester of this year. Others who had won gold certificates may win life membership during the second semester, but these could not be verified by the deadline for this book.

AFS makes it possible for a Downey student (Marilyn Johns, left) to go to a foreign land, and for a German student (Thom Schwedhelm, right), to come to Downey to study

AMERICAN FIELD SERVICE

American Field Service is an international organization whose goal is to promote good will among the peoples of the world through an understanding of the customs and the beliefs of others.

Among the projects the local club undertakes is the raising of money to bring an exchange student to Downey from another part of the world, and to send a Downey student to study in a foreign land.

AFS undertakes many projects to reach its quota. Monthly paper drives constitute a major project. During football season AFS members sold programs. The club also took an active part in the production of Viking Varieties, the proceeds of which went to finance the exchange student program.

Music and religion also span the globe

BIBLE CLUB OFFICERS

SEATED: Sandy Darby, Fay Langley, Bonnie Larson (president), Gayle Metz

STANDING: Kathy Andrews, Jim Hufferd, Sue Glasgow

Bible Club was formed for the purpose of benefiting all students who desire an opportunity to take part in religious activities.

It has no requirements for membership, and anyone is eligible to be a member simply by attending the meetings. These are held before school, and not on school time.

It is non-denominational, non-sectarian, and non-compulsory in any of its aspects.

The goal of the club is to contribute to the character-building and moral fiber-strengthening of the student body.

All members of the Viking Band are members of the band club, but it does not function except outside of classroom time.

Its work is carried out and planned by the officers, shown here.

Spanish Council serves as a nucleus for Spanish clubs of each Spanish class.

Some of the projects they have undertaken this year include the Spanish Fiesta on March 14, a field trip to the Los Angeles Museum's Mexican display, and participation in the language clubs' Christmas party in December.

Membership in French Club is open to all students taking French, and each French class elects those who form the French Council.

Chief purpose of the club is to increase the knowledge of French language and customs. However, it is both recreational and educational. The club helps pay for a scholarship for an outstanding student.

Highlight of the year for members of the German Club was the German Festival held in November.

The club caters to students who wish to increase their knowledge of German culture, and strive to improve their command of the language.

Members attended the language contest held at USC.

Teaching is the aim of both these groups

FUTURE TEACHERS CLUB

This group is made up of students interested in taking up teaching as a profession, and handles several projects to promote this interest.

A scholarship is given to a senior member of the club who is planning to take college training to become a teacher. Some of the field trips taken by the club were: the UCLA Future Teachers Conference, the USC Future Teachers Conference.

The club roster, most of whom are in the picture above, includes: Donna Ashburn, Cindy Boand, Betty Bogert, Andi Bullen (vice president), Cheryl Cookson (chaplain), Joan Crotser (secretary), Kitty Davis, Janet Dunn, Cathy Erwin (treasurer), Laura Erwin, Lois Finer, Sandy Glauser, Vickie Gran, Lonnie Hernandez, Melissa Housel, Sue Jacobson, Kitty Ketchum, Linda Langford, Gina Lawrence (sergeant-at-arms), Trudy Le Clair, Pam Lee (president), Gayle Levin, Sandy Lubow, Sharon Marshman, Carol McCune, Penny Olson, Cecelia Patton, Barbara Payne, Cindy Rock, Cindy Shaw, Diane Slivka, Kathy Turner, Sue Williams (historian), Sharon Wysong

PEACE CORPS CLUB

Organized this year, Peace Corps Club is of special interest to any student who truly wishes to give aid to places around the world and it achieves this by means of various projects, such as sucker sales, which raised money for the Honduras Peace Corps Medical Center.

The members give freely of their time to help people less fortunate, whom they have never seen. Although the club is designed for service to all peoples everywhere, its chief interest is in the countries of Latin America.

FUTURE NURSES CLUB

Future Nurses Club is another organization which offers an outlet for special interests or possible future profession.

It was organized in 1957 for the purpose of teaching the values, needs and principles of the nursing profession.

Members take trips to hospitals and other places of medical and nursing interests.

This picture, taken in Nurse Brown's office, shows some of the two semester officers.

Left to right, they are: Cindy Shaw, treasurer; Sue McCalley, Sharon Butler, first semester president; Nurse Brown, Mrs. Joyce Lum, sponsors; Patti Meier, second semester president; and Ellie Goslins, secretary.

JUNIOR STATESMEN OF AMERICA

Downey's chapter of the Junior Statesmen of America was organized in the school year 1962-63, and is designed to attract those students with an interest in the processes of government, and in political affairs.

The members have discussions of current problems and issues, but the club is non-partisan in its procedures.

In this picture the group is unanimous in campaigning for Downey. Shown here are:

QUILL & SCROLL

Chief aim of Quill & Scroll is to further an interest in journalism, and improve skills in this department.

Membership is restricted to students taking journalism courses, of at least junior standing, who have done better than average work in some phase of journalism.

Chief project of the club this year was to raise funds to publish the school paper, after financial support was discarded by the district Board of Education.

This did this by handling the sale of ID pictures, by selling advertising in the football programs, and selling them, by sponsoring the "Carrier Cupids" project of delivering Valentine messages.

Swimming is a popular sport, especially in hot weather

Girls Athletic Association, more familiarly known by the initials GAA, is an organization whose purpose is to create an interest in athletics for girls, to promote higher mental and physical efficiency, and to uphold and carry out the highest ideals of sportsmanship, co-operation, and friendship.

GAA sponsors the Sports Night and Get-Acquainted Dance in the opening week of the school year, the first all-school dance of the year.

Playdays are held with other schools in the Moore League and while everyone likes to win, the primary purpose is to promote good sportsmanship and good fun.

This year saw track added to the GAA program, and the girls made a good showing in their first and only meet—they took third place in a Moore League girls' meet.

Pep Club is open to any student at Downey High who would like to do his part in promoting school spirit. The club decorates the goal posts at football games, makes posters, banners, booster tags for athletic events, and publicizes most of the school activities.

Lettermen's Club promotes school spirit to give more prestige and recognition to sports and their participants. To be a member you must have at least 10 points. Five points are given for a varsity letter, 3 points for JV and Bee, 2 points for Cee, 4 points for CIF champions, 2 for league champions, and 1 point for captain. It co-sponsors the alumni varsity basketball game with Key Club.

With the roll of the drums and the clash of the cymbols, the Downey High Viking Band could be seen and heard with the vivacious vitality of the Vikette drill team close behind. They marched in parades and presented lively half-time shows representing the School of Champions with spirit and spark.

With the flash and flare of their sparkling uniforms, Cadet Colonel Sharon Butler and Captains Andi Bullen and Connie Clark, put the high stepping Vikette drill team through their paces at performances and during long hours of practice. The group, for the second year, was under the direction of Miss JoAnn Zwanziger.

The saga of Vikettes was one of hard work, practice and success. Staying after school learning formations and routines were only part of their work. The girls made their own uniforms and were responsible for the exactness of unity within the team. They were also required to make new pompoms for each performance; and performances they gave! Not only marching talents did they display, but scholastic ones as well, for these were all prerequisites for their selection as a member of Downey's Vikette drill team.

Two whistles and a twirl from his baton, Herb Stevens, drum major, led the Viking Band to win honors and recognition for Downey with their precision marching and musical talents. The band represented the maroon and white at festivals, school functions, parades, sports events and at the annual Viking Varieties production. In its first year under the direction of Mr. Bruce Gifford, the band increased from 30 to 80 members.

Not only were their marching abilities displayed, but so were their musical talents — and it isn't easy to march and play music at the same time. Through teamed efforts, precision timing and much practice, several colorful half-times were presented on the field. During basketball season, the Dixieland pep band added that element of spirit to the Downey gym. Their performances at musical concerts proved to be enjoyable evenings of listening pleasure to all. The Viking Band never ceased in representing admirably our school with their fine talents.

ASB President Don Blakemore and Don Laughlin lower the flag to half mast in respect to the memory of John F. Kennedy, 35th President of the United States, who was cut down by an assassin's bullet in Dallas, Texas, on November 22, 1963.

The Student Council, in a letter of condolence to Mrs. Kennedy, wrote: "The memory of John Fitzgerald Kennedy will long serve as an incentive to each of us to promote and protect the freedom of the United States of America."

They received a card, bearing the Kennedy coat of arms, with the message: "Mrs. Kennedy is deeply appreciative of your sympathy and grateful for your thoughtfulness."

Coronation Ball climaxes the Homecoming, '63

King Dennis and Queen Mary Beth lead the dancing

Climaxing the festivities of the Homecoming was the Coronation Ball held Saturday evening, Nov. 9.

Decorated to the theme of "Ecstasy in Blue," the gym was the scene of the ceremonies which honored the homecoming royalty. Music was supplied by the Goldtones band.

Larry Myers, senior presented, presented gold-plated miniature footballs as mementoes to the girls.

Dodie Bland and Randy Wood, queen and king of the previous year's homecoming, were on hand to offer congratulations to their successors.

GERMAN FESTIVAL

In cas eyou don't understand the word printed above, they tell you:

The annual German Festival was held Nov. 20 in the DSHS cafeteria. The program included a dinner of veal cutlet with mashed potatoes and cream sauce, a German band, slides of Germany, Austria and Switzerland, shown by students who had visited the countries.

Greetings were given by Thom Schwedhelm, DSHS foreign exchange student from Germany, Evie Vavken from Austria, and Eliviar Oetiker from Switzerland.

Also, there was a ten-minute color news reel of Germany and in conclusion everyone sang German folk songs.

There was music by a German band

DEUTSCHES FEST

Das jahrliche Deutsche Fest fand am 20. November 1963 in dem Speisesaal der DSHS statt.

Auf dem Programm waren ein Essen (Kalbsbraten mit Kartoffelpuree und Sahnesosse), eine deutsche Kapelle, und Dias aus Deutschland, Osterreich und der Schweiz. Die Dias wurden von Schulern gezeigt, die die betreffenden Lander bereist hatten.

Thom Schwedhelm, Austauschschuler aus Deutschland, Edie Vavken aus Osterreich und Elvira Oetiker aus der Schweiz ubermittelten Grusse aus ihrer Heimat.

Ausserdem wurde eine kurze deutsche Wochenschau in bunt gezeigt. Zum Schluss stimmten alle Anwesenden mit in deutsche Volkslieder ein.

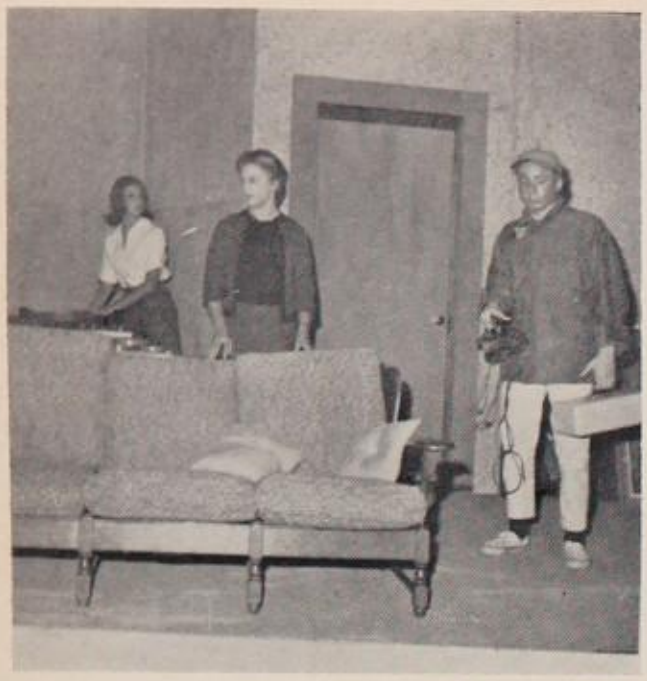
A "date with dad"

For the first time, Girls' League sponsored a Father-Daughter banquet, designated "A Date With Dad," on Nov. 26 in the cafeteria.

Entertainment for the program included songs by the Case sisters, Margaret Shanor, folk singing by Mike Brady and Ed Peterson, dances by Nancy Davis and Rosemary Fragoso, a pantomine by Connie Walker, piano selections by Pam Lee and Sue Glasgow, a dance by Pat Armstrong, Sandy McQuarrie, Beth Affeldt, Sharon Allen and Christie Hodge, songs by the Gentrys (Randy Brooks, Chris Brooks and Fred Myers), Margaret Arnold, and Sandy Gray.

Scenes from the program and the dinner (which consisted of roast beef, potatoes, vegetables, salad, rolls, dessert) are shown here.

"Goodbye, My Fancy"



Preparing for the arrival of the famous alumna

Miss Reed is welcomed by members of the faculty

Telling the story of a famous Congresswoman who returned to her alma mater after twenty years to receive an honorary degree, "Goodbye, My Fancy" was the fall play presented in E-2 Theater on Dec. 4, 5 and 6.

A triangle developed among Agatha Reed, the Congresswoman; James Merrill, the college president who had once been in love with her; and Matt Cole, a foreign correspondent, a still-burning flame of her romantic life. He had been sent to report the story for a magazine.

The basic theme of the story involved the question of censorship as opposed to freedom of choice, concerning a film the Congresswoman had brought to show to the students.

Though it seemed for a while that the romance between the college president and the lady politician would result in marriage, the story ended with Miss Reed leaving the college as she came, but with the intention of taking up Matt Cole's offer of marriage.

John McCalley gives orders to the "slaves"

Togas, sandals, and an atmosphere of ancient Rome were again in evidence at the annual Roman Banquet, held on April 1, in the cafeteria.

Following the theme of "That Was the Week That Was," each Lat class presented a short skit for entertainment.

Tradition was followed by having the taking of the omens, that is, the offering of grain to a chicken. If the chicken did not eat, that meant the guests at the banquet could not eat, so it was made certain that some grain found its way down the gullet of the unfortunate bird.

This year marked the 300th birthday of Shakespeare, and partly to observe this event the drama students chose his great tragedy, "Macbeth" as the presentation for the spring play.

It was an ambitious undertaking, with some parts double cast, and some actors taking more than one part. It was produced six evenings, extending over a two-week period: March 4, 5, 6, 11, 12, 13.

Jorlaine Hubbard was assistant director to Mr. Williams, Marie Nonaca was student director.

Girls League presents "The Sadie"

One time of the year when girls don't have to be subtle about chasing the boys is the date of the "Sadie," the annual dance sponsored by Girls' League.

"Under the Big Top" was the theme of this year's dance. Balloons with the names of couples were scattered throughout the cafeteria rooms, scene of the event, bales of hay provided some of the rustic atmosphere, and couples came in matched outfits, some of them made by the girls themselves. Winning couple for the most original costume, with a prize of two tickets to Melodyland Theater in Anaheim were Joan Halas and Joe Bagley.

Music was provided by the "Hollywood Gamblers," for the 290 couples who crowded the dance floors.

Seniors Highlight Sixty-Four

Couples glided on the floor of the grand ballroom

Seniors got an unexpected bargain in the site of the Prom, when the original room contracted for at the new International Hotel, 6211 W. Century Blvd., was unfinished by the time the Prom rolled around. The management, to fulfill the contract, provided them with the Grand Ballroom, which usually rents for $2800 for an evening. The original room had a rental of $525, and that's all the class paid.

Three hundred dancers glided to the music of Carroll Wax and his orchestra, and when couples were not dancing the evening was spent in casual conversation.

Theme of the Prom was "Enchanted Evening," and to the seniors who attended, that's just what it was. On these two pages are scenes from the dance, which took place on May 9.

A Night of Readings

Final dramatic production of the year was the annual "Night of Readings," presented in E-2 Theater on the evening of May 14. Sponsored by Cardinal Masque, the program was composed of individual selections made by students who enacted them, and included the sublime and the ridiculous.

Shown above are some of those presented:

Top Row: Richard Sieber and Aleta DeFeis in "Waiting For Lefty"; Sue Morrow and Patti Thomas, a scene from Oscar Wilde's "Importance Of Being Earnest"; Jodi Taylor, monologue from "Anne Of A Thousand Days"; and Jorlaine Hubbard and Bob Knight, a scene from "Picnic."

Middle Row: Sue Bergschneider and Joyce Johnson, in "The Children's Hour"; Peter Bogaslawski, Jan Kerr and Pat Matarrese, "Arsenic And Old Lace"; and Jacklen Stewart and Carol Frost, "Anastasia."

Bottom Row: Larry McCracken and Barbara Lowy, "Taming Of The Shrew"; Gil Blevins and Bruce Selig, in Sheridan's "The Rivals"; Neal Arias, soliloquy from "Richard III"; and Pat Finley and Roger Bayless, "Of Mice and Men."

Other readings, not shown here, included: Bob Knight and Pat Finley, "No Time For Sergeants"; Roger Bayless and Jorlaine Hubbard, "Moon For The Misbegotten"; and Dwight Jones, "Hamlet."

Girls of the Month

"Girls-of-the-Month" is a project started several years ago by Girls' League to give recognition to those who are chosen to be most representative of the title for each month.

This year the titles were chosen with the intent of having a more important and more meaningful honor. Each month six girls, two from each grade, were nominated by the Girls' League cabinet, and then the female population of the school voted for one of the six.

Girl of the Year was chosen by a faculty committee on the basis of her record in scholarship, citizenship, service and activities. Joan Crotser was chosen for this honor. Other candidates nominated were Judy Carr, Sue Jacobson, Marilyn Johns, Pam Lee, Marie Nonaca and Carol Williamson.

Junior varsity gridders, like the varsity, had a victory-less season in Moore League competition, but did manage to win two non-league games and tie another, giving them an overall record of two wins, one tie, and six losses, a better record than the varsity.

They had their ups and downs, sometimes losing by a matter of inches. They opened the season with a 6-0 victory over Fullerton and Burbeck Field, Walt Covert scoring the only touchdown.

Next they battled the Lynwood Knights to a 7-7 tie, with Steve Morgan and Tom Dillard combining in an aerial attack to score the TD.

Then came the big game with Warren, and the Bears won, 18-7. Paul Westberg passed up Terry Cline for the only Downey TD.

They won their second and last victory by beating Paramount, 13-0, John Latino scoring a touchdown on the opening play from scrimmage, a right end sweep. He scored the other touchdown in the same manner.

Then came the league season, and disaster. The Millikan Rams nipped them by the narrow margin of a PAT, 13-12; then Lakewood rolled over them, 32-0; Wilson did even a worse crushing, 69-0; Jordan won, 19-7; and Poly took a 27-7 victory on a muddy field.

Walt Covert, a sophomore, was named most valuable player, and Bob Thompson, a junior, was named lineman of the year. John Baker and Irv Dixon were co-captains.

BEE FOOTBALL SEASON

The Bees finished the season with three victories and two losses in Moore League play, and an overall record of five losses and four wins, giving them the best record of the three Viking teams.

Throughout the season they sometimes gave impressive performances, but never seemed to reach their full potential.

Like both the varsity and JV's, they lost the big game to Warren, but only when the BeeBears scored on a pass play in the final minute of play.

They were barely nipped by the Millikan Rams in the league opener, 13-12; then scored an impressive win over Lakewood, 27-0; dropped the next two, 13-33, to Wilson, and 19-13 to Jordan—but came back in the final game to win over Poly, 14-0, the only team to beat the Jackrabbits.

Bill Foreman was named most valuable player, and Randy Cosner was named lineman of the year.

REVIEW OF THE SEASON

While the fact can't hidden that we were disappointed with the way our football season ended, no one can deny that our varsity gridders kept fighting in every game, right up to the final whistle.

The Vikes amassed a total of only 52 points in nine games, compared to their opponents' 184, which tells the story of the winless season.

In the opening game the Vikes fumbled away a 21-0 loss to Fullerton, after threatening in the opening minutes. In their second game, against the Lynwood Knights, the Vikes again went scoreless. Injuries to Gumpert, Magnusson and Moore contributed to the 12-0 loss, but Tom Consiglio, with an average of 6.6 yards in seven carries, was a bright spot in the Viking attack.

In the big Downey-Warren rivalry, played in Cerritos Stadium, the Vikes lost by a narrow margin of a point after touchdown, after leading 13-0 in the third quarter. Oddly enough, the two touchdowns were scored without a single first down.

Following this heart-breaking 14-13 loss, the Vikes lost, 15-6, to Paramount; and then, in the Moore League opener against Millikan, after seeming to find a winning combination to lead 14-0, lost by a final score of 19-14.

Without the services of Consiglio, the Vikings found their ground game at a standstill against Lakewood, and lost, 27-7. Gumpert's passing was a bright spot, but not enough.

Facing one of the CIF's strongest teams, Wilson, the underdog Vikings held the Bruins to one TD per quarter, but again lost, 28-0. The Jordan Panthers handed the Vikings their eighth loss in a close game that could have gone either way, 14-6.

The varsity closed out their season with a loss to Poly, rated first in the CIF, in a game that was postponed because of rain. Downey scored first, and threw a temporary scare into the Rabbits, who came back to lead 7-6 at the half. Then Downey seemed to run out of gas, and Poly scored four times in the second half for final victory, 34-6.

Varsity water poloists splash to 13th League title

For the thirteenth straight year, Viking waterpoloists won the league title, including eight in the Coast League and five in the Moore League. In fact, Downey is the only winner in the varsity division since joining the Moore League in 1959.

The varsity started the season by rolling over Jordan 17-0, but sustained its first loss to a league team by losing to Millikan in a tournament at Long Beach City College. In the next tournament at Inglewood they won over Glendale, at smashing 17-1, routed Mira Costa, 3-2, but lost to Fullerton, 6-2, and in a playoff to El Segundo again lost, 6-5. Powerhouse Whittier nipped the Vikes, 3-2, but they avenged the El Segundo loss by beating the Oilers, 5-4. Then they defeated Millikan, 7-5.

Then they really started rolling, and polished off Garden Grove, 12-6; Lakewood, 13-2; Upland, 5-3; Wilson, 13-2; Fullerton, 11-9; Jordan, 23-1; and Poly, 7-4, to win the league title; then La Puente, 9-3.

In the CIF playoffs, they crushed Warren, 10-1, California High, 7-1; but lost to El Segundo, 10-5; and took third in CIF by beating Whittier, 8-4.

Downey's Bee waterpolists started off the season by drowning Jordan, 4-2, and Millikan, 6-3, in the league tournament; then sank Mira Costa, 15-9, in the Inglewood tournament. In the next game against Whittier, the BeeVike mermen roared back from a 3-2 deficit to emerge victorious by a 5-4 score. Then they topped El Segundo, 11-6, and Millikan, 8-5. Garden Grove and Lakewood were the next victims to fall before the mighty BeeVikes.

They continued to dominate their opponents by rolling over Wilson, Upland and Fullerton; then against Jordan they scored a 17-3 victory, and finished out the season against Poly with a 7-2 win, and their fifth straight Moore League title.

CEE WATERPOLO SEASON

CeeVike waterpoloists started out their winning season by capturing the Moore League tournament with victories over Jordan and Lakewood, by scores of 7-1 and 3-1.

In the following Inglewood tournament they splashed their way to a 15-5 victory over Mira Costa, then nipped a tough Whittier squad by a 3-2 score, followed by wins over El Segundo, 15-9, and Millikan, 14-3.

Without a letdown they continued their winning ways by drowning Garden Grove, 12-6, and Lakewood, 6-3. The next victory came over Upland, for the CeeVikes thirty-sixth straight victory.

Then the mighty CeeVikes finished out the season with consecutive wins over Wilson, Fullerton, Jordan, La Puente and Poly in an undefeated season which pushed their win record to thirty-eight straight, a truly amazing feat.

Crosscountry Season

Coach Al Zimmerman's harriers ended their crosscountry season with the varsity coming in fifth in the Moore League runoff, while the JV's captured third. The JV squad, league champions last year, made perfect scores against Warren, Hawthorne, Jordan and Poly.

Leading varsity runners were Mike Skougard and Leroy Rendahl, who turned in excellent performances. Outstanding JV performers were George Ramos, Bob Oliva, George Martin, Chuck Furnari, Rich Richman and Harry Bayliss.

Coach Zimmerman expects to field another strong team next year, and get into the CIF finals, which the team just missed this year.

WRESTLING SEASON REVIEW

The Viking varsity were the undisputed champions of the Rio-Coast League again this year. The season was marked by impressive wins over their opponents and the well coached JV squad also captured the championship while losing only one league meet.

The Vikings were victorious over the Warren Bears by handing them a 30-15 varsity shellacking and a 42-7 beating by the JV squad. These scores were typical of the whole season, as our wrestlers again dominated their opponents.

Six varsity wrestlers qualified for the CIF semi-finals when the Rio-Coast League tornament was held. First place qualifiers were Sheppard Bloom (98 lbs.), Bill Brinson (178), and Gary Yeargin (194). Second place qualifiers were David Leitner (106), Brion Jeannette (136), and Dan Coelho (157).

The only survivor of the finals was Sheppard Bloom who placed fifth.

Downey's varsity cagers started off the season by nipping the Fullerton Indians, 41-39; then tackled Mayfair and lost 46-57. In other pre-league season games they lost to Artesia and Paramount, but then bounced back to beat the Pirates in their next encounter.

Against arch-rival Warren the Vikes lost a close 61-63 decision.

In league play they lost to Millikan, 61-59, dropped another close one to Jordan, 56-53; clobbered the Wilson Bruins, 71-57; lost to Poly, 75-69; won over Lakewood, 55-48; lost in the second round to Millikan, 91-64; nipped Jordan, 55-53; beat the Bruins again, 63-48; lost again to Poly, 91-60, in the final game of the season.

Gary Gumpert was named most valuable player, and with Barry Quinn was named to the All-Moore League ten-player squad.

The junior varsity squad managed to win but one-third of their games, but they looked like a pretty good team all season. Ray Strutz and Roy Amundson usually paced the scoring attack. The JV season, however, was rated a success when they beat Warren, 42-30. No matter how the season goes, if we beat Warren, it's successful.

Bee basketeers started off the season with a 49-28 drubbing of Fullerton, but then fizzled out for the rest of the season. They recorded only four victories, but were hustling all the way, and never gave up.

The Cees also won roughly one-third of their games and did manage to make their season successful by beating Warren, 28-23. Outstanding players for the Cees were Joe Dennis and Tom Winter.

THE SWIMMING SEASON

Continuing a habit they started way back in 1950, Viking swimmers captured three more league titles this year.

For the varsity and Bees it was the fifth consecutive league championship; for the Cees it was the fourth in a row.

Coached by Bill Sexton, a member of the Downey's swimming teams from 1951 through 1953, the varsity won all five of its league meets, including tough Millikan, which fell by a 59-27 score.

The varsity team scored 18 points and finished fourth among 200 schools entered in the CIF meet, which was won by Fullerton.

Five new school records were set by DSHS swimmers during the season, breaking three records made last year by Dean Willeford.

Swimming the 200-yard medley relay in the school record time of 1:45.3 was the team of Steve Campbell, Tim Greaves, Ray Murphy and Jim Coe.

Mike Pickett replaced Campbell to form the 200-yard freestyle relay team which set a school record of 1:32.3, clipping a full second off the mark.

Ken Hammer broke the mark for the 200-yard freestyle; his time was 1:54.4. Swimming as a Bee, Ken also broke the 100-yard butterfly with a 58.8 mark, the same as the varsity record last year.

Such accomplishments do not come easily. Coach Sexton puts his swimmers through about 5000 yards swimming each day, five days a week.

Tim Greaves was named most valuable varsity player, Ken Hammer took that honor for the Bees, and Tom Bryant for the Cees.

TENNIS SEASON

Downey's varsity netmen, despite injuries and assorted miseries, ended 1964 with a 11-10 record, but finished the tough Moore Loop race with a disappointing 6-9 mark and a second division standing.

Most valuable racketer, Roger Hester, Capt. George Dobb, and junior Lew Goldstein were a potent one-two-three punch, and when the rest of the team was at full strength the Vikes were tough to beat. They demonstrated this fact by bumping off league contenders Millikan and Wilson in their occasional flashes of winning form.

The junior varsity tennis team again showed flashes of brilliance, as they stormed to a third place finish in the tough Moore League standings.

Compiling a season's record of 11-9, the JayVikes fared equally well in the league season. Led by juniors Gary Fredericks, Jack Garland and Chuck Stewart, the underclassmen posted a respectable 8-7 Moore League mark.

Fredericks was named most valuable player.

Downey track teams wound up their glum seasons without placing any men in the CIF finals this year.

The varsity, with no wins and 8 losses, turned out an embarrassing record compared with previous teams. The BeeVikes, with two wins and 6 losses topped the Cees' record of only one win and 7 losses.

All Downey's cindermen deserve praise for their hard work which they showed during the season. Unfortunately, only three cindermen from all the track teams can qualify for "player of the year" award. The three men who showed the best effort, participation, and achievement, and thus winners of the "Player-of-Year" award were: Tom Morton, varsity; Irv Dixon, Bees; and Wes Terasaki, a CeeVike who broke the school record for the 660 with a time of 1 minute, 27.1 seconds.

The Season

The Viking horsehiders had their ups and downs this season, but mostly downs. They registered one surprising triumph when Drey Bilyeu, used only sparingly before that game, blanked the Moore League runnerup Lakewood Lancers, 1-0, for the Vikes' second and final league victory.

The cellar dwelling Downehites had trouble at the bat the entire season, barely topping the .200 team batting average mark. They did, however, break loose for 10 runs and a dozen hits in dumping La Mirada's hosting nine 10-1 in Easter tournament action for the season's heaviest offensive spurt.

The junior varsity baseball squad played better than .500 ball in compiling a season record of 11-10, but finished only 7-8 in the tight Moore League race.

Boyd Leavitt won the Ray Canton batting trophy.

Having hitting troubles also, the JayVikes had to rely on solid pitching and two steady hitters, Tom Heise, who batted .296 during the league campaign and Jim Guthrie, who finished with a .275 batting average. Sophomore Gil Hanes collected five victories against one defeat, while posting a .304 batting average in his limited appearances to the plate.

Jack Harrington was named the most valuable JV player.

GOLF SEASON

Downey's golf teams, although they did not have a winning season overall, proved to be the deciding factor this year in the competition between Downey and Warren for the Iron Man Trophy. Warren was one point ahead when the golfers met, and Downey defeated Warren in both divisions, giving them unbroken possession of the Trophy since it was first offered by the Downey Rotary Club.

The varsity won six, tied one, and lost eight, while the JV's managed to have a winning season with a 7-6 season. Jim Krusen was the number one player for the varsity with an average 78 round. Dave Benney was next with 78.6. Most valuable player and co-captain was Krusen for the varsity. Miles Mallory was the most valuable JV with a 41 average. Pete Rowe and Randy Williams each had an average of 42.

Realtor's Pledge
I AM A REALTOR
I Pledge Myself:
To protect the individual right of real estate ownership and to widen the opportunity to enjoy it;
To be honorable and honest in all dealings;
To seek better to represent my clients by building my knowledge and competence;
To act fairly towards all in the spirit of the Golden Rule;
To serve well my community, and through it my country;
To observe the Realtor's Code of Ethics and conform my conduct to its lofty ideals.

A Promise to You...

from the Realtors of our area

REALTORS ARE MORE THAN "JUST REAL ESTATE MEN"

By dealing with a Realtor, you get safety, sound advice, and outstanding service. In your interest, the Realtor uses the knowledge which he acquires as a member of your local real estate board and the National Association of Real Estate Boards. Only by this affiliation is he permitted to use the trademark, Realtor, and the Realtor seal. Look for them when you deal in real estate—you'll be glad that you did.

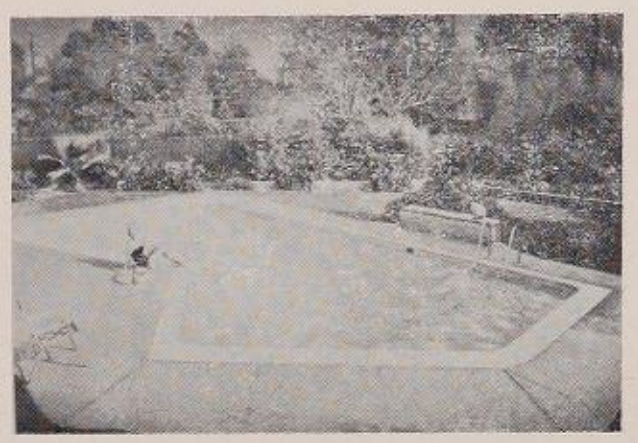
THE ANTHONY STORY

How a $500 investment – plus a reputation for handcrafted quality – led to the world's largest pool-building business.



Anthony started in the very competitive pool building business a little over fifteen years ago. Phil Anthony and his brothers dug their first pools by hand. Today, Anthony Pools owns a fleet of 120 excavators, trucks, gunite rigs – and a factory to make pool parts and accessories.

NEW ANTHONY POOL-BUILDING DIVISIONS extend quality and low prices to San Diego and Las Vegas; mark the continuing growth of Anthony Pools.

THE POOL BUYER BENEFITS – Anthony's rapid growth to become the world's largest builder of pools was based on inventing techniques for volume building that retained handcrafted quality but kept the price within the budget of most homeowners. Over 20,000 pool buyers have picked Anthony to build their pools. That's considerably more pools than have been built by any other single builder. The same policy of value through volume is still working for you today.

In the first eight months of 1963, for example, Anthony has exceeded the largest other pool firm (a group of franchised builders) in the greater Los Angeles area by 666 pools; the next largest by 1139.

LOW PRICES – Volume buying of materials, factory-to-you selling of the many accessories and sub-assemblies we make, keep Anthony prices low. Quality materials – such as solid bronze, copper, stainless steel; and careful construction checked by our own team of inspectors, assure you a pool of lasting value; an ANTHONY POOL.

Among the accessories you may want to add to your Blue Lagoon: underwater light, step rail, the Anthony Automatic Pool Cleaner, heater, and Automatic Pool Purifier – it dispenses GUARDEX® daily.

Protect your pool investment with quality construction and equipment: with a pool famous for value: an ANTHONY POOL.

Anthony has built twice as many pools as any other single builder

-Alex-

In your future years, I hope success and happiness come your way. In the beginning I didn't think we were friends but know I hope we have. Success to you

your friend

Alex,

I hope that you will always have the best of everything and remember me.

Always,
Felix

Felix,

I wish you the best of luck now and always.
